YOUR REPUTATION IS IMPORTANT TO YOU.

Whether people are talking about you here or somewhere else, the fact is, they're going to talk.

The Internet has become an important social media tool, empowering people to speak their minds whenever, however and wherever they want through blogging, chat rooms, video sharing and other tools. These are some of the ways disgruntled customers can and do post their complaints, but ONLY Ripoff Report® offers the Corporate Advocacy Program where a business may publicize its proactive approach to addressing those complaints. Members of the Corporate Advocacy Program care about their customers' concerns, and they are savvy marketers who know that maintaining a good reputation is paramount.

The adage that one disgruntled customer tells a handful of their friends, is outdated. Today one disgruntled customer can tell literally tens-of-thousands of customers about their challenge with your business, in one single posting. Now, more than ever, it's critical to be proactive in hearing and addressing your customer service challenges.

Ripoff Report's Corporate Advocacy Program...

- Engages your business in a process that helps to satisfy customer complaints and make amends for past mistakes.
- Turns negatives into positives by making a commitment to consumers that your business is willing to make an earnest commitment to customer satisfaction.
- Helps your employees feel a deeper commitment to the business, and it boosts their morale, knowing you are willing to take accountability.
- Increases potential sales and positive referrals, by demonstrating yours is an honest business, with integrity, and willing to make a commitment to righting customer wrongs.

Take responsibility for your business and your customers by becoming a member today.

[Read why consumers want to do business with a member of the Corporate Advocacy Program.](#)

All businesses will get complaints, but how those businesses handle those complaints separates good business from bad business.

WHY THE RIP OFF REVENGE!

All orders shipped First Class Mail

I have created the **Rip-Off Revenge™** as a way to empower people with honest grievances to take action on them.

In our society today, lawyers, & businesspeople are often more concerned about what they can get away with than what is fair. Misuse of power like that upsets me! They say it's all "business". They take away the personal values of honesty and integrity and show no mercy except maybe some token political correctness. It's time for people who have been taken advantage of to get honest attention!

"We used the Do-It-Yourself Guide and... in just 17 minutes we got a check... plus 15%. We got Rip-off Revenge™ and our money back too!"

"I bought your Do-It-Yourself Guide. I'll have to admit the thought of paying for a book to help me get what I felt I was already owed to me sounded like a rip-off. I was without a vehicle because I paid for repairs to my car that was never done. The garage manager kept insisting they replaced everything they charged me for. Being without a car gave me the determination I needed to start the steps in the guide book. I followed your instructions and can't believe what satisfaction it gave me! I was almost disappointed when the garage manager agreed to repair my car again and was refunding the money I

"I was extremely discouraged after being taken by a fraudulent financial entity. What's worse is that I was so embarrassed that I would not have taken action even if I knew how to. Luckily, I read the preview edition of Rip-off Revenge™ guide. Not only did the book help me to realize that I had nothing to be ashamed of, it allowed me to obtain full retribution. Without the Revenge Guide, I would have been lost. Thank you Rip-off Report for taking the time to construct such a wonderful book!"

-S. Sarri

"I fell for one of the credit card scams. I didn't think I would ever get my money back. After several unsuccessful attempts at trying to communicate with the company I was ready to give up. I found your site, read all the reports and filed my Rip-off Report along with all the others. Then I followed your suggestions in your Rip-off Revenge™ Guide and it worked! My money was returned."

-Casey

"Not only did your site help us expose a great story in our local paper, but, your Do-it-yourself guide actually saved me from losing thousands on home repairs that I knew were not my responsibility. Proof consumers like me can fight back and win."

"As an attorney, my experience has been that the justice system is usually the best way to right a wrong. Unfortunately, the process can be too expensive and time consuming to address some situations. Recently, I found myself in such a situation so I turned to the Rip-off Revenge™ Guide. Using the step by step process in the guide, I was able to resolve a dispute with a building contractor that I had not been able to resolve with threats of administrative and legal action. The Rip-off Revenge™ Guide really works."

TOGETHER, WE ARE
A CONSUMER-REPORTING NEWS AGENCY,
BY CONSUMERS, FOR CONSUMERS.

The Ripoff Report works very hard on behalf of consumers, to help preserve civil and human rights, the goal of consumer advocacy. In response to reports placed on the website, we research abuses and help individuals defend their rights. Since our inception, we have helped consumers collect millions of dollars to date, and prevented the loss of untold millions more for our readers. Additionally, thousands of consumers have thanked us for forewarning them about disreputable businesses through the Ripoff Reports.

Ripoff Report is not funded by the businesses they monitor and report on as does the Better Business Bureau. Consequently, never informing the public about the actual nature of the complaints. We need funding from consumers to maintain your database of complaints, so others won't be victimized... Together, we are a consumer-reporting news agency, by consumers, for consumers.

The Ripoff Report can give you the information you need! In order to do this job well - offering consumers the best help and the most comprehensive information available - we need YOUR help. We need assistance from the general public to generate the funds needed to continue to offer this service nationwide and beyond. The more funds we raise, the more consumers we can help on a daily basis. Alternatively, if you can help with our needs list, please contact us by e-mail donations@ripoffreport.com and we will be glad to let you know what we most urgently need.
